Dear North Edgebrook Neighbors --

EXCITING NEWS! We have updated our website and are now in the process of implementing a safe and secure electronic option to pay membership dues! We know how busy you are so we want to have another payment option that is simple and convenient. We encourage everyone to use our refreshed website for updates!

Speaking of membership, we are pleased to report that since our last call out we’ve had a boost in membership! To keep our supplemental snow-removal services for the winter ahead, and for other community activities, we need *All Hands on Deck* to maintain the necessary funds. Please spread the word and encourage membership wherever you can. Remember, membership dues are only **\$40 for the entire year!**

To our members who have been with us consistently over the years, THANK YOU. Your commitment to our community means a great deal.

Lastly, a few additional announcements:

- **New NECA Board Members:** Please welcome North Edgebrook residents Donald Krok on Moselle, Amy Fager on Meade, and Wendy Snyder on McAlpin to the team. Thank you for volunteering your time to serve our community!
- **Alderman James M. Gardiner:** We are now in the 45<sup>th</sup> Ward so we are inviting Alderman Gardiner to join us for an informal Town Hall. Stay tuned to our website for updates on where and when.

**WHO WE ARE**

The North Edgebrook Civic Association represents approximately 800 households within the perimeter of Caldwell on the west, Lehigh on the east, Mendota on the south and Touhy and Sherwin on the north. If you received this newsletter you are part of the NECA community.

**OUR PURPOSE**

NECA began with one main goal – supplemental snow removal – because we know winters in Chicago can be challenging. When NECA was established there were no snow plow services on our side streets. We have come a long way developing relationships to hire private contractors to plow our streets curb-to-curb after 2 inches of snowfall. This is part of what membership dues cover. While snow removal is our major expense, your NECA dues also pay for community activities, neighborhood representation and maintenance, like our distinctive “Welcome to North Edgebrook“ signs located throughout our neighborhood.

NECA is your voice regarding concerns affecting our neighborhood. NECA officers actively work with various governmental and other agencies including our alderman, the Chicago Park District, Chicago Police Department, schools, and the local zoning advisory board as part of our neighborhood advocacy on behalf of YOU!
