

## NORTH EDGEBROOK CIVIC ASSOCIATION 2024 YEAR - IN - REVIEW

*The North Edgebrook Civic Association represents approximately 800 households within the North Edgebrook neighborhood of Chicago. Membership dues are \$40 for the year. Dues allow for the association to contract for snow removal within our side streets after two inches of snow and other activities as funds allow. The Association is the community's voice working closely with the alderman's office and the Chicago's Park District and Police Department, in addition to local schools, zoning advisory boards and other neighborhood associations, as appropriate.*
