Chicago, IL. 60646

NORTH EDGEBROOK WELCOMES YOU

WHO WE ARE

The North Edgebrook Civic Association represents approximately 800 households and a few businesses within Caldwell on the west, Lehigh on the east, Mendota on the south and Touhy and Sherwin on the north. If you received this newsletter, you are part of the NECA community!

OUR PURPOSE

NECA evolved into one main goal – supplemental snow removal – because we know winters in Chicago can be challenging. When NECA was established, there were no snowplow services on our side streets. We have come a long way developing relationships to hire private contractors to plow our streets curb-to-curb after 2 inches of snowfall. This is part of what membership dues cover. While snow removal is our major expense, your NECA dues also pay for community activities, neighborhood representation, and maintenance, like to our distinctive “Welcome to North Edgebrook” signs located throughout our neighborhood.

NECA is your voice regarding concerns affecting our neighborhood. NECA officers actively work with various governmental and other agencies, including our alderman, the Chicago Park District, Chicago Police Department, schools, and local zoning advisory board as part of our neighborhood advocacy on behalf of YOU!

**North Edgebrook
Civic Association
Fall Edition Newsletter
October 2024**

Dear North Edgebrook Neighbors –

We’ve had a fun and successful year, thanks to those who participated in this year’s garage sale, the community’s July 4th parade, and Wildwood Park movie night.

We are excited about opportunities in 2025 and are eager to hear from you with your suggestions.

We are pleased to welcome our new NECA President, Jeannette O’Brien, and new board members Frank Vulich and Erin Gardener!

Please remember to spread the word about membership. Only \$40 for the entire year to cover not only snow removal, but other activities as funds allow.

NEWS You Can Use!

MAKE a Connection!

Join us on McAlpin Island
for our annual NECA
Membership drive,
“Dues for Donuts!”

Meet your neighbors, grab
a doughnut and coffee!
Bring a neighbor!

WHEN:

Saturday, Oct. 12
9AM - NOON

WHERE:

McAlpin Island
(corner of McAlpin
and Tahoma)

Annual General Meeting (AGM): The AGM was held on Tues., Oct. 1. We were pleased to have CPD 16th District Commander Robert Vanna and Alderman Gardiner with us. Commander Vanna emphasized the importance of reporting concerns through 911 rather than NextDoor or the Alderman’s office. Alderman Gardiner emphasized that he has dedicated 75% of his last two years’ \$1.5M budget for infrastructure and improvements to our part of the city, and he is committed to doing what he can for our community.

Snow Removal: We plan to continue our snow-removal curb-to-curb where possible, given the number of parked-car issues that exist in some areas. We have used a 2-month contract (January-February) in the past, but as we do every year, will make a determination based on weather predictions and available funds this winter. We will keep everyone informed.

THANK YOU to Roslyn Steinberg and Maggie Monahan who served as our past NECA president and a board member, respectively. We appreciate your dedication and commitment to our community!
