NORTH EDGEBROOK WELCOMES YOU

WHO WE ARE

The North Edgebrook Civic Association represents approximately 800 households within the perimeter of Caldwell on the west, Lehigh on the east, Mendota on the south and Touhy and Sherwin on the north. If you received this newsletter you are part of the NECA community.

OUR PURPOSE

NECA began with one main goal – supplemental snow removal – because we know winters in Chicago can be challenging. When NECA was established there were no snow plow services on our side streets. We have come a long way developing relationships to hire private contractors to plow our streets curb-to-curb after 2 inches of snowfall. This is part of what membership dues cover. While snow removal is our major expense, your NECA dues also pay for community activities, neighborhood representation and maintenance, like our distinctive "Welcome to North Edgebrook" signs located throughout our neighborhood.

NECA is your voice regarding concerns affecting our neighborhood. NECA officers actively work with various governmental and other agencies including our alderman, the Chicago Park District, Chicago Police Department, schools, and local zoning advisory board as part of our neighborhood advocacy on behalf of YOU!

North Edgebrook Civic Association Fall Edition Newsletter September 2023

www.northedgebrook.org

Dear North Edgebrook Neighbors –

We have had a successful year of activity. Thanks to those who participated in this year's garage sale and our community questionnaire. If you missed the opportunity to review the results of the questionnaire you may find them on our website's front page. We encourage everyone to spread the word about joining NECA. We've made it easy with our online payment option on our website. We also accept checks in person or by mail. While we do not want to increase membership dues, we may consider doing so in the future to cover snow-removal and additional community events. Our Association is only as good as you (our community) make it. The potential is there to do so much more, as you told us in the survey, so don't delay.

Join TODAY!

MAKE a Connection!

Join us on McAlpin Island
for this year's annual NECA
Membership drive,
"Dues for Donuts!"

Meet your neighbors, grab
a doughnut and coffee!
Bring a neighbor! Children
and pets welcome.

WHEN:

Saturday, Oct. 7

9AM - 11AM

WHERE:

McAlpin Island
(corner of McAlpin
and Tahoma).

NEWS You Can Use!

Annual General Meeting: Wed., Oct. 4 @
6:30PM - Wildwood Elementary School. We
will conduct NECA business first, including a
vote on our new By Laws/Constitution,
followed by remarks by the CPD 16th District
and Alderman Gardiner. RSVPs encouraged
via email > president@northedgebrook.org
or on the website.

New NECA By-Laws and Constitution: This
year we updated our By-Laws and
Constitution to reflect the present. (*The last
version was 1985!*) You can view the
document on our website.

Snow Removal: We plan to continue our
snow-removal contract with a few changes
such as center-only removal given the
number of parked-car issues that exist in
some areas. We have used a 2-month
contract (January-February), in the past, but
will make that determination based on
weather predictions in the winter, and, of
course, and most importantly, based on
funds we have available. We will keep
everyone informed.

Thanks to Maggie Monahan who refreshed
our neighborhood Welcome signs and David
Amundson and Maggie Monahan for
maintaining our garden space.
